

2019 ANNUAL REPORT

41 PROJECTS • 20 COUNTRIES • \$975,600 RAISED

Connecting Canadians with international development projects
all around the world

DEVXCHANGE
INTERNATIONAL PROGRAMS 

WHAT IS A LEAD MEMBER

A lead member is a passionate person, connected with a grass roots development project, looking for ways to fundraise, bring legitimacy to their project, and gain support.

THE PHILOSOPHY OF WHY DEVXCHANGE USES LEAD MEMBERS

What is a Lead member? Who Can Become a Lead Member? What do they do? These are all good questions and are the very soul of who Devxchange is. When you see a need and want to do something about it and you connect with a local implementing partner who also shares that passion and is doing something about it- You become a lead member. Unlike other charities with a top down approach to helping others we facilitate those who have a passion to help others by enabling them to run and manage their own projects through local implementing partners. Devxchange is a facilitator ensuring accountability and resources to help Lead Members be successful in their passion and endeavor to help others. It also enables us to operate with very little overhead so most of what is raised goes directly to the project. Anyone can be a lead member- Join Today!

HOW TO BECOME A LEAD MEMBER

If you are interested in becoming a lead member with us, please request an application at www.devxchange.org/start

WHAT OUR PROJECT LEADERS ARE DOING

41 PROJECTS • 20 COUNTRIES • \$975,600 RAISED

WATER | 2 PROJECTS

Improve the quality of drinking water by constructing wells, irrigation and sewage treatment systems.

AGRICULTURE | 3 PROJECTS

Improve skills in forestry, agriculture and horticulture and preservation of the environment.

EDUCATION | 10 PROJECTS

Develop and advance educational programs for all ages.

HEALTH | 10 PROJECTS

Develop and promote public health, train in prevention, and research local trending health risks.

INCOME GENERATION | 16 PROJECTS

Ensure sustainable livelihoods through income generation projects and initiatives.

“In March this year I visited the project to see first hand what progress has been made. I was shocked to see farms like fruit yielding jungles, erosion control on entire mountain sides and communities working toward common goals.” ~*Dave Rupke*

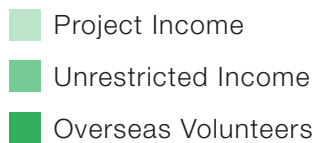

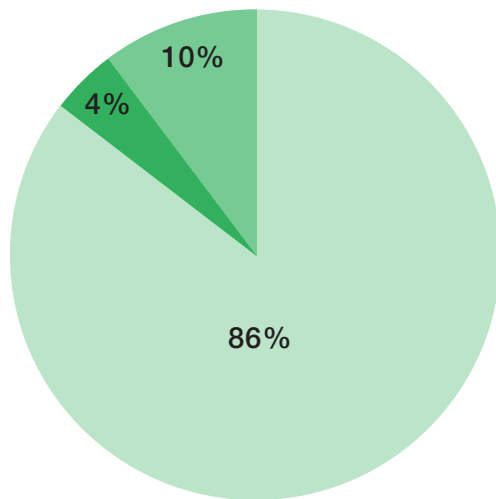

“The ripple effect goes beyond what our projects have intended to do. For example Forestry For Life, not only has provided agro forestry support to the community but have also lowered the crime rates and improved the environment unintentionally.” ~*Sterling Kon*

“Since jumping on board with DevXchange over 4 years ago we feel that being affiliated with this type of organization has helped to make us present to donors as being the professional and credible charity that we are. We are held responsible by the CRA and DevXchange.” ~*Gail Hudson*

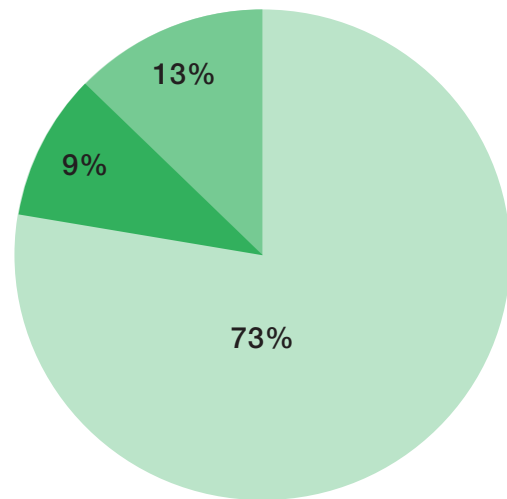

“Devxchange looks at how we can improve every year, this year alone, we have trained over 150 volunteers to support our projects one on one with anything from graphic design, grant writing, to accounting.” ~*Melody Sargent*

INCOME REPORT

INCOME | 2019 | \$975,664

EXPENSE | 2019-2016 | \$949,393

DIRECTOR'S MESSAGE

2019 was the most successful year yet in the history of DevXchange in terms of both funds raised, number of projects, and number of people helped. The Lead Members raised close to a million dollars, with 41 projects in 20 different countries.

The year ended, however, with the dreaded Covid-19 setting the uncertain stage for 2020. In this annual report we have focused on what is a Lead Member and their significance to the projects. The Lead Members are the heart and soul of Devxchange and its global goal of "Helping People Help People". They are the catalyst that make it happen.

Thank you for your participation and support of these Lead Members and the diverse projects helping thousands around the globe. The needs are even greater now, let's continue to support a movement that has started of Helping People Help People.

Bob Black
Executive Director
